

LIFE SCHOOL

1ST YEAR SYLLABUS

Introduction to your Identity and Supernatural Christianity

OVERVIEW & PURPOSE

This year is designed to provide a comprehensive introduction to students about their identity as a son and daughter of Christ. As well as introduce students to supernatural Christianity and its focus on bringing the Kingdom of God to earth. They will develop a deeper understanding of their identity, calling, assignment, supernatural gifts, healing, prophecy, and evangelism. The goal is to equip students to impact their communities with the power and love of God.

COURSE OBJECTIVES

By the end of this year, students will be able to

1. Understand the biblical basis for your identity and its importance in bringing the Kingdom to earth.
2. Identify and demonstrate various spiritual gifts and their functions within the Body of Christ.
3. Engage in effective evangelism and demonstrate the supernatural power of God in sharing the Gospel.
4. Comprehend the principles and practices of divine healing and engage in ministering healing to others.
5. Discern and interpret prophetic messages and demonstrate the ability to prophesy with biblical accuracy.
6. Cultivate a personal life of supernatural encounters with God through prayer, fasting, and worship.

ASSESSMENT METHODS

- Class participation and engagement in discussions
- Practical demonstrations of spiritual gifts and ministry in the classroom and out in the world
- Willingness to push outside of your comfort zone
- Reading of class materials, books, and participation in class activations
